To Our Valued Clients,

Due to the Coronavirus (COVID-19) pandemic we want to update you on what Wilkins ADP is doing to maintain business operations. We've taken precautionary measures to ensure the health and well-being of our clients, employees and their families. Wilkins ADP has a plan of working remotely in the event of potential employee exposure. Our team will be available through email and cell phones listed below.

We want to emphasize that we will remain open for business and are continually working towards our current and upcoming deadlines. If you have any business or non-project specific questions those are to be directed towards Jacob Sertich (jsertich@wilkinsadp.com) or Kali Eklund (keklund@wilkinsadp.com).

Thank you for your understanding.

Sincerely,

Wilkins ADP Team
